

UNLOCK the power of **Broadband Connectivity** and **Rich-Content**

**The Internet is alive with vibrant,
broadband rich-content.**

To fully utilize this content, you not only need the applications to stream, manage, and create, but you need a powerful delivery network to deliver it.

3CX gives you both. From a single web interface, you can manage multiple media files, send streaming video email, or create rich-content presentations, and 3CX will guarantee the quality with a network of data centers designed specifically for the delivery of rich-content.

So if you're ready, call 3CX and we'll give you the keys to unlock the possibilities rich-content holds for you and for your organization.
