

Capture the Fun

with the **StyleCam Blink**

"If there is one product that captures a perfect blend of imaging and fun... it was the StyleCam Blink, a tiny, unbearably cute digicam from SiPix."

Joe Farace, Shutterbug June 2002

Capture your life with one of the world's smallest digital cameras - the SiPix StyleCam™ Blink™.

It's tiny, fun and so easy to use. This ultracool, go-anywhere digital camera comes with a fashionable neck strap and a swivel clip so you can conveniently wear it on a belt loop, backpack or around your neck.

Take up to 400 still pictures, or use the *Streaming Snapshot™* mode to easily make AVI video clips and share them with your friends and family. Let your imagination run wild with the value-packed software to edit photos or videos, add backgrounds, make greeting cards and then easily print your creation.

Anytime, anywhere, capture your fun with the StyleCam Blink.
